The Dedication

With sincere appreciation, we dedicate our PHILOMATH to Mr. Mayo M. Magoon, the principal of Framingham High School for the past thirty-three years.

Through your tireless efforts, sympathetic understanding, and continued interest in us and in our varied academic, athletic, and social activities, we now fully realize that these are but extensions of your ideals, exemplified to all who have ever attended Framingham High.

We trust that this book may serve as a tangible memento of the admiration and respect that we, the Class of 1960, hold for you, Mr. Magoon.

TO MEMBERS OF THE CLASS OF 1960:

The opportunity to achieve goals of understanding and success is a fundamental concept of American democracy. Young people today have many opportunities that were denied their parents. In a land where all who strive may achieve degrees of success in keeping with their efforts, abilities and aptitudes, it is most difficult to imagine that all youth in the world are not so fortunate.

The American school system is built on the faith and belief of our forefathers, our communities, our parents and our students. The education seniors have received is of great value to them as individuals, and this is also an investment on the part of parents and the interested public. The degree of success and the quality of citizenship demonstrated by those who graduate from high schools indicate to the supporting public that the investment has been well placed.

Graduates should remember that liberty, their priceless heritage, guarantees freedom of intelligent action and conduct in our democratic society. However, the welfare of others must be given due consideration at all times.

"TO STRIVE IS TO ACCOMPLISH"

Best wishes to all members of the Class of 1960.

Sincerely yours,

MAYO M. MAGOON, Principal

CLASS OF 1960

June, 1960

Dear Classmates,

High school is where you and I have spent the last three years of school. It is here that we have been taught to assume a respectable place in society. Framingham High School has a fine faculty and all the facilities necessary for the attainment of this goal. However, its achievement has been left to us, for we cannot expect others to assume our responsibilities.

Let us remember that a high school diploma doesn't prove that we are educated. It merely proves that we have stayed in school long enough to graduate. Soon the world will judge us by what we know, by how we think, and by what we can do—not by a prized piece of paper.

During our years in this school, our class has accomplished much both scholastically and athletically. Our achievements have been remarked by both Mr. Magoon and Mr. Martin. If our triumphs in high school are an indication as to what we will accomplish in later life, I am sure that each member of this class will be a success.

Certainly we are most grateful to those who have helped us during our high school days. Though we may have seemed indifferent, we did appreciate your efforts, every one. To you, Miss Lewis, we say, "Thanks for everything." To you, my friends, I am most grateful for your vote of confidence in making me your class President.

Good luck now and in the years to come!

Sincerely yours,

Richard F. Phillips

Mrs. McConnon puts through a most important call.

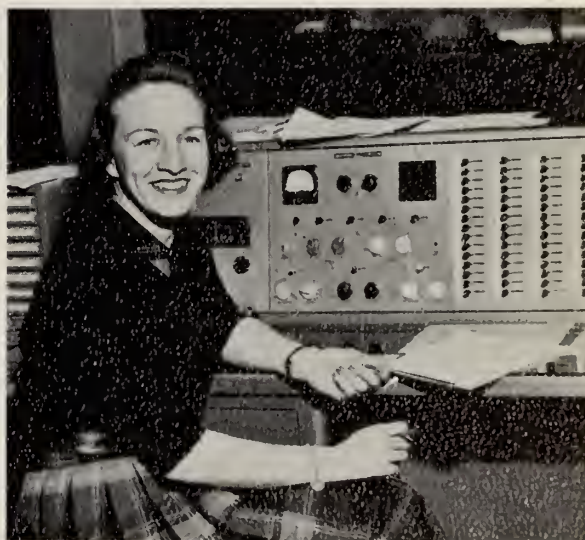

Another set of notices are rolled off by Mrs. Dalton.

With these efficient secretaries,
the faculty and students are kept
in touch with the affairs of school
life.

Mrs. Arnott answers the inevitable phone.

Mrs. Horton looks pleased.

STUDENT

Jimmy presides at the Executive Committee Meeting.

This year the Student Council, under the leadership of James Walker, has been very successful in all its activities, both social and charitable. The sales of F.H.S. book-covers, spirit-pins, and plastic shirts met with a great response from the student body. The Candy Sale, as usual, was a tremendous success, thanks to Mr. Bayes, to many eager sales-people, and to interested townspeople.

The spirit of the Christmas season was very much in evidence in the school for a few weeks prior to Christmas.

Mr. Bayes, Advisor, and R. Canal, J. Fashman, D. Vitali, J. Walker, T. Casey, R. Lawson, R. Glew. SECOND ROW: M. Wollschlaeger, K. Nilson, F. Marques, B. Barnicle, M. Hogan, K. Dow, S. Alberto, J. Levine, B. Cook, A. Brenck. THIRD ROW: F. Ghilani, W. Gardiner, A. Cooper, R. Phillips, P. Dineen, G. Maloney, T. Hopper, Y. Nemeth, W. Reno, S. Rendell, and P. Ivers.

COUNCIL

Students donated canned goods, toys, and clothing for the needy in Framingham and elsewhere. The results of the Drive were certainly a true measure of teen-age generosity.

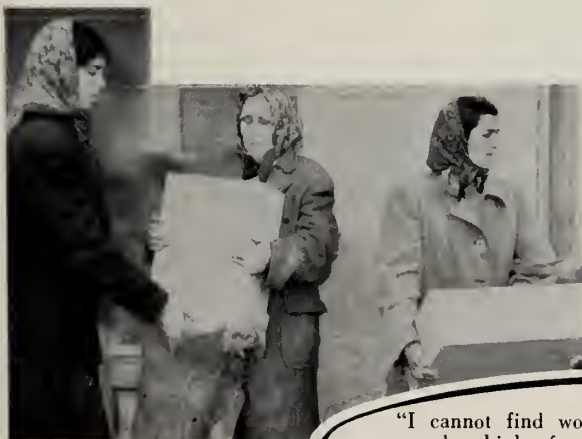

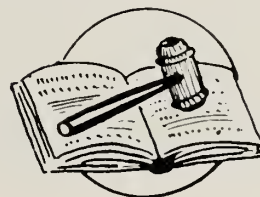

Spring brought with it a very enjoyable Council Dance, which was a fore-runner of the other activities of the late school year. For all of these well-organized affairs, we are truly grateful and most proud of a Council that has worked diligently to make this year a memorable one for all.

FOREIGN EXCHANGE

I have had a marvelous time in Framingham High School and I am sure that I will always remember the wonderful experiences I have had. It was a great opportunity for me to come to stay in the United States for this year. I feel now that I really know the American way of living, and I will be sorry to leave your country and the many friends that I have made.

Angela Brenck

I am grateful for this opportunity to thank all the students of Framingham High School for their wonderful cooperation in aiding the American Field Service program by purchasing Shares of Democracy, thereby helping to send me to Germany last summer. It was a wonderful experience for me, and I hope in some way I have helped to carry out the aims of the program by promoting good will, friendship, and understanding among the people with whom I spent my summer.

Tom Hopper

I want to thank you all for having given me the wonderful opportunity of living with you in this school and community. It has been an exciting, interesting, and enjoyable year, and I hope that many more students will have the chance to see how the Americans really live. Thank you!

SPORTS

Gerry and Jimmy

The Flyers were expected to have a poor year according to football experts, but the Thanksgiving tie of '58 really ignited the squad. The team started off the season by walloping Wellesley. One highlight was a victory over Marlboro which broke its twenty-five game winning streak. As the season progressed, the Flyer offensive opened up while the defense stiffened to shut out three teams. The Flyer's defensive had the least points scored against it in the Bay State Conference.

On Thanksgiving morning, the Flyers beat Natick in every statistic, except for fumbles and then the final score.

There were no individual heroes on the club: the team worked together for a season of six wins.

BAND AND MAJORETTES

The Majorettes in action at a rally.

Band members are really good sports.

The Band and Majorettes deserve credit for their many contributions at the various games and rallies. The Majorettes, under Joyce Cella, Head Majorette, and Judy D'Antonio, Band Majorette, devoted many hours to rehearsing for performances.

The line.

CHEERLEADERS

With Diana Vitali as captain, our cheerleaders have been outstanding this season. In the halls of F.H.S. and at all the games, their inevitable school spirit and undying enthusiasm have spurred the teams on to many a victory.

THE HOOPSTERS

The Flyers, captained by play-maker Dave Cowern, had a successful season under the direction of Mr. Summers, whose knowledge of the game and ability to get the most from the players themselves left little to be desired.

The quintet consisted of players as different as their names. Dave Cowern played an unidentifiable role in setting up most of the plays and many of the scores at the expense of personal gains for himself. Because of his constant hustle, Bill Carey was often able to bluff and steal the ball in the clutch. He added spark to "the five." As a great scorer and rebounder, Chris Quirk will be remembered. Billy Phillips and Bill Gardiner both displayed much enthusiasm and action on the courts. The reserves offered competition to the first stringers who, at a moment's notice, might be relieved by bench-men. All in all, this team's success was due to a fine coach, a good starting line-up, and ever-anxious reserves.

Come on, boys . . . We've got to win.

HOCKEY

We really beat Natick for Charlie!

HOCKEY

Coach Ed Loring's F.H.S. Hockey Team had an exceptionally good season, streaked with some bad luck. Led by Co-Captains Richie Tomassini and Charley Glew, the Flyers came in third place. To be noted was a tie with Walpole and two impressive wins over Natick. The first line of Tomassini, Glew, and Ted Casey totaled 63 points among them, the highest scoring trio in the Bay State League. On the flip of a coin, the Flyers missed out on the State Hockey Tournament to Norwood.

Throughout the season the girls showed much interest and enthusiasm while participating in this sport although their wins were scarce.

The climatic games of the year proved to be a win over Ashland and a tie with Natick.

Girls' Field Hockey Team. Miss Quinn is the girls' coach.

Get it, girls!

We won!!!

GIRLS' BASKETBALL

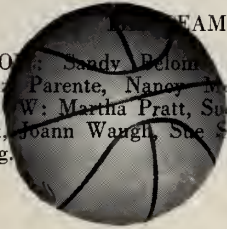

GIRLS' BASKETBALL

Under the capable coaching of Miss Verna Moberg, the team showed tremendous interest and enthusiasm throughout the season. Although the Varsity did not have an all-win record, the J.V.'s finished the season with 7 wins and 2 losses. This may seem optimistic but since only three seniors will be missing from next year's Varsity, our experienced players should be out to win and better the record.

FRONT ROW TEAM.

FRONT ROW: Sandy Deloia, Judy Sweeney, Doris Bucilla, Roz Parente, Nancy Merloni, Molly Devries. SECOND ROW: Martha Pratt, Sue Daniels, Linda Mills, Jane Bryant, Joann Waugh, Sue Snow, Sue Jackson and Miss Moberg.

Molly set for a low pass.

Up for a basket.

Co-Captain Roz passes.

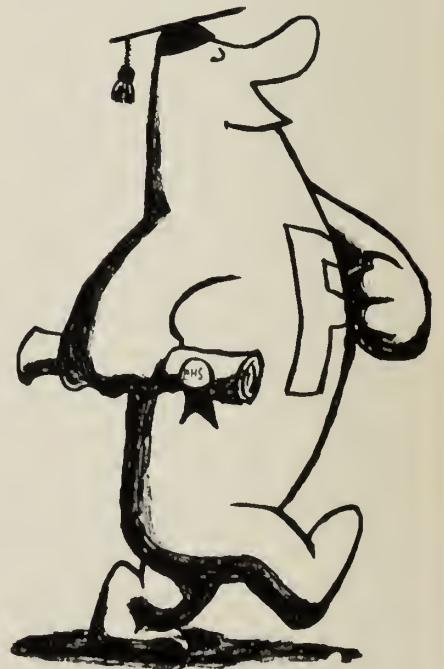

Whew!!!

Finished at last!

IN APPRECIATION

We are most grateful to our advertisers and friends who have helped our class make the yearbook possible. To all who have in any way contributed to the publication of the 1960 PHILOMATH, we extend our sincere thanks.

The door of the past is always closing as today reaches out to become tomorrow. As the door closes upon your education at Framingham High School, we at Dennison congratulate you upon the completion of your studies.

Our hope is that the door of tomorrow will open to a future of success and happiness.
